CYBER SECURITY SOLUTIONS PVT. LTD.

THE TECHNO LEGAL SECURITY POINT

COMPANY PROFILE

ABOUT US

Avanzo Cyber Security Solutions is a leading consultancy firm focused on cyber law, data protection, and digital risk management. In a world where data is a vital asset and automation defines brand value, we help organizations operate securely, compliantly, and with confidence.

OUR MISSION

To protect the digital ecosystem through smart, legally sound, and future-ready solutions in cybersecurity, cyber law, and digital governance.

OUR VISION

To be the most trusted name in cybersecurity and beyond, empowering businesses with resilience innovation, and uncompromising protection in the digital age.

STATEMENT

The number of cyberattacks or attacks carried out via the internet, has increased dramatically within the the last three to five years. People and companies have lost access to their accounts and important data due to number of events. Since 2021, post pandemic cyber assaults have increased from 38 to 54% globally.

Securing your organization from cyberattacks is very essential in today's information driven economy. With great pleasure, AVANZO has a custom tailored package of services and solutions designed to safeguard your digital assets and lay the groundwork for a future free of cyber threats.

SOLUTION

In today's digital data driven economy, when brands are moulded with process automation, 'Data protection' is of paramount importance. Avanzo now offers consultancy in Formulating security policies for corporates, Intellectual property rights (IPR) in cyberspace, Cyber forensics, Cyber Legal Audit & IS Audit for Banks and Security Audit as per ISO 27001. Cyber investigation for governments and Case presentation in front of adjudication officers (India).

CTO/CISO PROFILE

Dr. Pattathil Dhanya Menon

Cyber Crime Investigator

www.pattathildhanya.in

Under the leadership of Ms. Maneka Gandhi, the Ministry of Women & Child Development, Government of India, honored me with the 'First Women Achievers Award'. I received this accolade from Indian President Sri. Ram Nath Kovind on January 20, 2018, at Rashtrapati Bhavan, recognizing me as the First Women Cyber Crime Investigator of India.

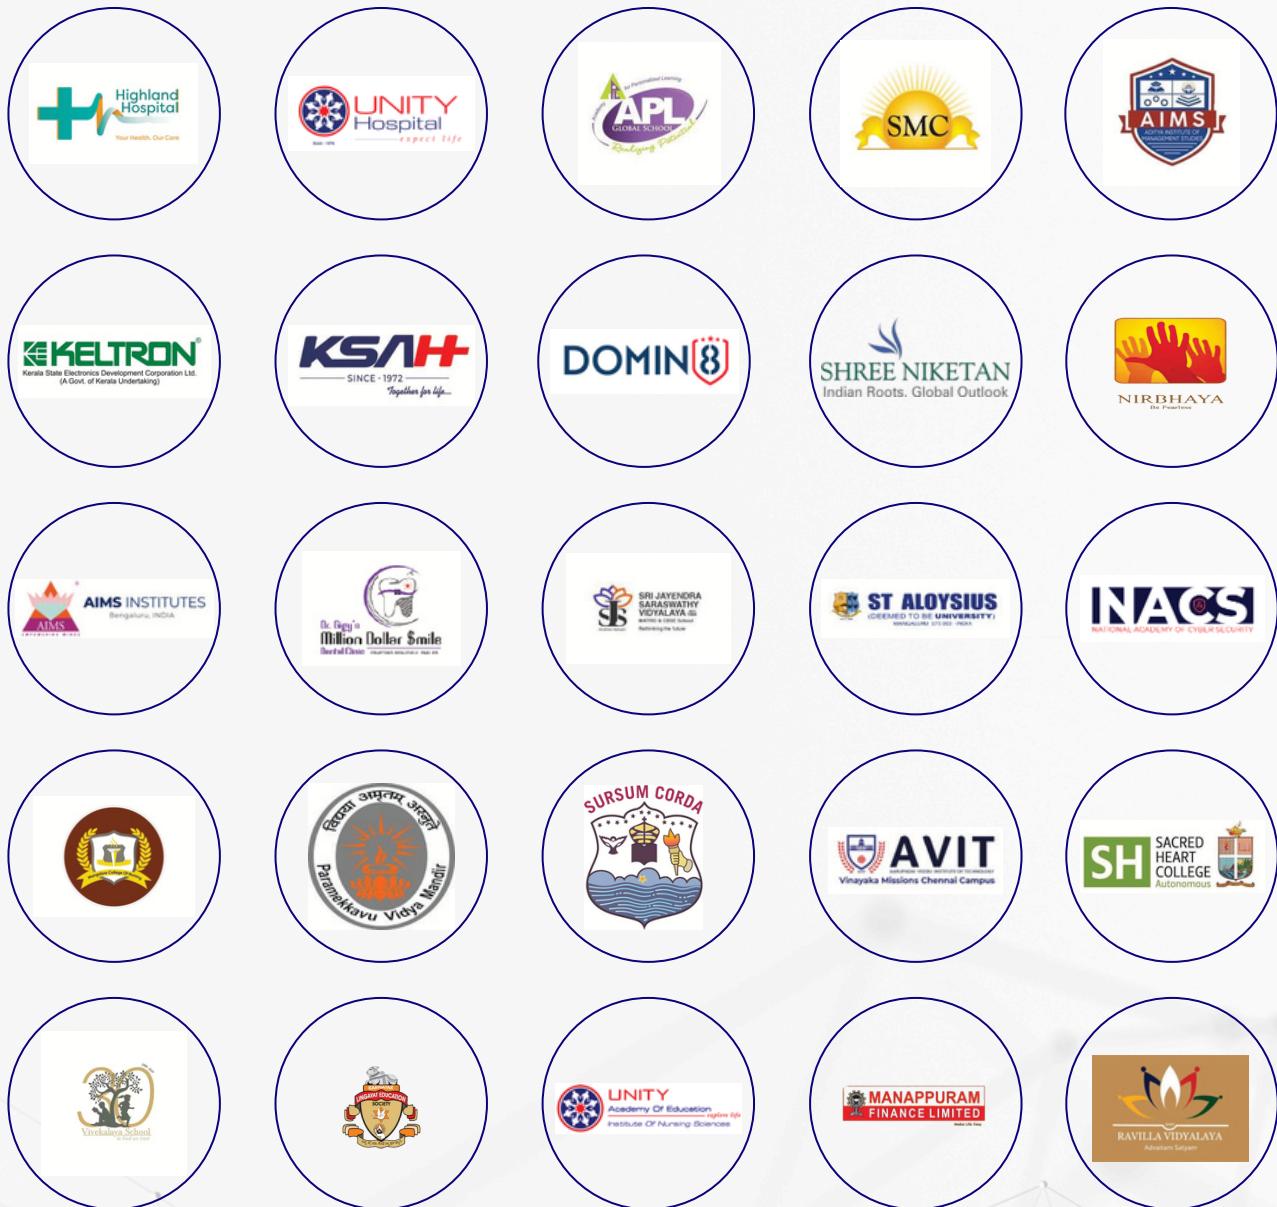

I am a consultant specializing in the development of security policies for corporations. I perform Cyber Legal Audits (IT Act) and Information Systems Audits for banks and Non- Banking Financial Companies (NBFCs) providing critical techno-legal solutions to corporations, government agencies, and investigative departments.

Distinguished as a Cyber Crime Investigator and a leading authority in cyber security, I have played a key role in numerous high-profile cybercrime investigations and have collaborated with law enforcement agencies to tackle intricate cybercrimes.
